

An exceptionally high quality coin return or retain lock with a Twin Coin slot that facilitates a host of options:

Choice of Coin

Can be set to accept £1 or 50p coins to reduce the need to give change to users

Multiple Currency Option

Euro or Pound on the same lock. Ideal for Airports, Train Stations, etc.

One Coin Returned / One Coin Retained

This allows the lock to be opened and closed multiple times before the user manually claims back the deposit by pressing the red button whilst generating an income for you from each user.

Removable Cylinder

Should the key be lost the lock cylinder can be easily replaced ensuring the security of the lock.

10 Year Warranty

Complete peace of mind with our 10 Year Warranty. Keys and closing cylinders excluded.
